

Miljala Tributary Restoration Project Update: October

Miljala Tributary, mid October 2022

Join us to hear an update!

REA, the engineering firm hired to do the analysis on the Miljala Tributary Project, will present their findings and recommendations. Bring your questions, there will be time to ask them at the end of the presentation.

When: Monday, October 24th

Where: Lake Mills City Hall / Community Room (1st floor)

Time: 6:30-7:30pm

Note: We asked for this meeting to be recorded, however, we have not received confirmation yet.
